

Good girl to write again to
Mama. Charlie says tell you
they never send money until
they print, that it is sometimes
6 months but that they never
back out after accepting.

He rec. \$5.00 for poems
printed in Argonaut.
Has not heard from his
sister sent them.

Should Fred Henahan would
feel a little dashed about
the Beorn. You did not
put in the slip of which
you spoke.

I opened this letter after
rec. yours. Think you
better go to painting it
seems to pay better than
poetry.
